DPSG, Gurugram visits the National Institute of Solar Energy

DPSG, Palam Vihar, Gurugram, visited the National Institute of Solar Energy at Gual Pahari. Students were accompanied by four teachers as part of this informative and enriching visit. The informative visit focussed on presenting different forms of solar energy and their usage in various devices. A one to one discussion with

the scientists was conducted where students inquired about the transformation and usage of solar energy. The scientists answered all their questions and cleared their doubts. The enlightening visit encouraged the students to choose solar power solutions for power requirements at home and in schools.
