ACHIEVER'S DAY (11th MAY'18)

To acknowledge the hard work of the students who demonstrated excellent performance during the session 2017-18, DPSG Palam Vihar celebrated its first Achievers' Day Ceremony on May 12, 2018. It is very well said that, "Success belongs to those who believe in the power of their dreams." Same was proved by our brilliant and undeterred children who left no stone unturned to carve a niche for themselves in both scholastic and co-scholastic domains. The day which resonated with the sounds of claps and applauses commenced with the highly inspirational song "Aashayein", sung by our incredible choir group followed by an energetic dance performance which depicted the five invincible elements of the nature. The vivacious dancers set the floor on fire, enthralling everyone with their beautiful act.

The award ceremony first felicitated the students who did exceptionally well in academics followed by those who brought laurels to the school by doing well in co-scholastic areas. Children with hundred percent attendance throughout the session were also given a special mention.

The certificates to the winners were handed over by Ms. Deepika Sharma, Principal, DPSG Palam Vihar. Ms. Deepika Sharma in her vote of thanks extended her gratitude to the proud parents who added glimmer to aura of celebration with their presence and congratulated all the winners and emphasized that all students should work hard both in scholastic and co-scholastic areas as co curricular activities are equally important as academics for the wholesome development of personalities. At last, the refreshments were served which were prepared by the students of the cookery club.

World Environment day

Mother's Day

DPSG Palam Vihar has always upheld the concept of holistic development to groom 21st century learners adept at creating solutions to ease problems that would make way for better living. To empower the softer gender, the school recently conducted a workshop in the premises. A workshop for the girls of classes VIII and IX was held in collaboration with women police cell under Operation Durga. This workshop had been organized to boost up girls and basically make them aware about the grey areas pertaining to safety and security of women. Flying squad members of Haryana shared inputs about how the girls could protect themselves. Self defence techniques to fight against offenders who violate the modesty of women were taught. This workshop had been organized to highlight and share the problems that girls are currently facing in contemporary society. This workshop was indeed an eye opener and was truly relevant in today's times. The fruitful and beneficial workshop helped girls understand the strategies to be adopted to deal with gender based

Visit By Dr. Ratnashree

Dr. Rathnasree, Director Nehru Planetarium visited the school and interacted with the school students.

She had a fruitful interaction with students of class VIII and IX. She was quite impressed by the knowledge of the students on astronomy. She suggested that the students should watch sky in real time. She also suggested that through Astronomy Club, students should study planets and stars of the cosmos and watch them closely using telescopes. They should learn to create new methods to observe the night sky while promoting interest in astronomy.

She invited school students for a visit to Nehru planetarium for night sky watching programme. A skype session of the planetarium faculty with our students was also offered once a month.

Students of classes X and XII went for a three days Camp Kanatal alongwith their teachers . During the camp on day 1 they did a short trek to the jungle and had a bonfire after a sumptuous dinner. On the second day, they trekked to Surkanda Devi Temple. It was a challenging yet adventurous experience and they completed it upholding the true spirit. During the evening, the students participated in the various High & Low rope course's like Flying Fox, Burma Bridge, Rope-Walking and Rappelling . D.J night was thoroughly refreshing and the tired campers danced to the popular numbers. On the third day, campers went to Mussoorie, the picaresque valleys dotted with coniferous trees. The breath-taking view from the bus, captivated one and all. They visited the Mall Road for shopping and eventually left for Dehradun. It was truly a memorable experience indeed.

INTER HOUSE SOLO DANCE COMPETITION

An inter house solo dance competition with great zeal and enthusiasm. Discussion on the common grammatical errors made by the learners and the possible solution for their rectification. 2. Ways to enhance Hindi communication both written as well as oral. 3. The workshop mulled over the challenges faced by the learners in mastering Hindi language and ways to overcome them. The session was engaging and elevating and laced the teachers with necessary skills to make Hindi Language learning an enriching experience.

DPSG group of schools believes in empowering the teacher faculty with constantly as it is difficult to envisage a mechanism of quality education without quality teachers. Hence a powerful training session was organised by the management to lace the teachers dealing with middle and secondary groups, with 21st Century Skills to adequately deal with 21st century learners.

The session commenced from 19th May and continued till the 23rd of May. The recapitulation of 6Cs of 21st Century competencies viz Character building, Citizenship, Critical Thinking and Creative Thinking through Collaboration and Communication was done.

It was discussed that the Collaboration includes the key factors of mutual interdependence, interaction, social innovation and students must have the opportunity to develop these skills in a challenging Collaborative environment of skill development and accountability. It was reinforced that in an age when Critical thinking and Effective Communication is the foundation on which lasting impression is built, it becomes essential to teach the Communication skills to the students to enable them to communicate effectively in diverse environment showcasing their positive Character and Citizenship.

The teachers were kept energised throughout the session by Ms. Sonia and Ms Ashlesha and a conducive environment for learning were created. Subject enrichment sessions were also part of this programme and various skills to consolidate the subject knowledge were also taught.

Summer Camp (19th to 30th May'18)

Summer camp is an opportunity for children to be exposed to the best of human character. There is something magical about a summer Camp experience. Camps give kids a chance to practice being the best they can be. They experience activities designed to create happy memories and encourage self-expression.

Despite of having a wonderful time in the Summer Camp, they were enjoying fun filled activities. Most importantly, they were learning things which are useful in everyday life. The students were actively participating in Aqua- Pool Dance, swimming, football, art activities, vedic maths and Cookery. We can see our kids as chefs preparing food without fire for their loved ones. They were being guided to try some no-flame, lip-smacking recipes. DPSG, aims at bringing out the best out of our own kids, with just having fun.
